Fujitsu recommends Windows 8 Pro.

# Data Sheet
## Fujitsu LIFEBOOK N532 Notebook

The Big-screen Multitalent

If you need a powerful desktop replacement then the Fujitsu LIFEBOOK N532 is the perfect choice. Its high-definition 43.9 cm (17.3-inch) widescreen display allows you to check all your important applications at the same time. The powerful NVIDIA® GeForce® discrete graphics provides you with enhanced graphics performance. Additionally the integrated WLAN, Bluetooth, optionally embedded 3G/UMTS and a full HD webcam provide connectivity and convenience anytime and anywhere.

**High performance computing**
Experience the smart family of Intel® Core™ processors that deliver performance that adapts to your needs, making laptops faster and more responsive
- Up to 3rd generation Intel® Core™ processors and latest Intel® mobile platform.

**Highest connectivity - anywhere, anytime**
Be available wherever you are; wireless connectivity anytime anywhere, even if there is no hotspot nearby.
- Integrated WLAN and Bluetooth®, optional embedded 3G/UMTS, full HD webcam, and digital microphone

**Usability and comfort**
Comfortable and ergonomic working in every situation even for the most demanding of users.
- Anti-glare and therefore outdoor-friendly display panel, large display size of 43.9 cm (17.3-inch) for multi-viewing, 2nd hard disk drive for more storage capacity, Anytime USB Charge functionality to charge telephone and media devices even when the system is switched off, on/off switchable HD webcam, spill-resistant isolation keyboard with full num pad

**More security for your data**
Protect your company data against unauthorized third-party access.
- Optionally integrated TPM module to encrypt your data, 2nd hard disk drive with Raid function, Computrace® enabled BIOS

**Excellent graphics performance**
NVIDIA® Optimus™ technology seamlessly and intelligently optimizes battery life while delivering the outstanding graphics performance you expect while editing your HD videos or retouching your high-res photos with stunning clarity.
- Powerful NVIDIA® GeForce® GT 620M discrete graphics with 1 GB video memory and NVIDIA® Optimus™ technology for graphically rich content, HD+ or FullHD display options for pin-sharp picture quality, 16:9 widescreen format and optional integrated Blu-ray Disc™ drive

Fujitsu recommends Windows 8 Pro.

# Recommended Accessories

| | | | |
|---|---|---|---|
| **USB-Port Replicator PR07** | | This Port Replicator is the perfect docking solution for notebooks without a docking connector. Turn your notebook into a desktop complete with two screens for a real productivity boost thanks to the DualView feature. Plus connect to the local area network and to all of your peripherals with a single USB plug. | Order Code: S26391-F6007-L300 |
| **Privacy filter** | | Privacy filters help block the screen view from anyone viewing the computer from a side view. 3M's unique microlouver privacy technology allows persons directly in front of the computer to see on-screen data clearly. 3M offers the broadest line of computer filters available. | Order Code: S26391-F6097-L144 |
| **Wireless Laser Mouse WI400** | | The Laser Mouse WI400 uses the latest wireless 2.4 GHz technology, and an ultra-high resolution 1600 dpi laser sensor to give you the precision and reliability you need. Sporting a compact design with a stylish black finish, the WI400 wireless mouse is well suited to all environments and to each user whether right or left handed. | Order Code: S26381-K433-L100 |
| **Remote Control RC900** | | With the RC900 you can power your entire Media Center with one remote. You will feel right at home using the familiar, intuitive controls for all your digital entertainment. The friendly Media Center on-screen menus are specially designed for RC900 interaction, delivering a fun, engaging, and integrated digital media experience. | Order Code: S26381-K456-L100 |
| **Slim USB DVB-T Basic** | | Receive digital TV wherever you want: with the new Slim USB DVB-T Basic. Smaller than last generation, the new USB DVB-T Tuner has a slimmer and more portable design. You can also receive FM Radio signal with your laptop or PC anytime and anywhere. All this in efficient and an power-saving package. | Order Code: S26391-F7125-L3 |
| **SOUNDSYSTEM DS E2000 Air** | | The new more powerful SOUNDSYSTEM DS E2000 Air gives you impressive, well-balanced sound throughout the frequency band. It is an unbeatable USB speaker set with a surprisingly small form factor. The robust satellite speakers are decorated with a deluxe piano finish and the base is adorned with warm ambient lighting. | Order Code: S26391-F7128-L600 |

Fujitsu recommends Windows 8 Pro.
